A Great Idea

Once upon a time there was cat bird and catapiller.

Their home was a tree stump since it was a tree stump there wasn't verrey much room.

So they started getting on each others backs. Lets talk it over at lunch. Thats a geat idea said cat and catopiller.

Very soon noon came and they talked it over.

I have an idea said bird. But forget it it wouldn't work anyway. Of all the bad times we had together this sure topstem all said cat.

You can say that again

I am the biggest I will go said cat.

No No said caterpillar. I will go said caterpillar.

I have the perfect idea said bird munching on a cookie. what is it bird said cat

well we could move from this tree stump and move into a tree.

But how do we know where there is a tree? We could look in paper tomorrow morning said cat.

Good idea said caterpillar.

us cats are smart too you know.

Morning came and they looked in the paper and there was the just the tree for them

so they packed their things and went to see the land lord.

of the tree. But when they got in the door there was ten people in there for the same tree. There was a farmer that was there for the apples.

and a man there from the biggest farmer co. in New York was there for twenty other trees.

A Big Problem

its to late. Maybe is isentt said bird. What do you mean said catapiller what I mean is what evry body sould do but hody anybody does. I know shoring said catapiller. Righ cats and birds may be smart but catapiller are to but we still have a problem. yet whats that. How do you know if hts willing said catapiller. well soon find out. Right you are again cat said bird. A sir would you mind sharing that tree with us. NO!

Half and Half

lets ask the farmer said cat. A sir would be kind enough to use half of that tree.

Well of corse you can. I only need the apples you can have the rest. Thank you. when can we move in today comon. lets get our suitcases said catapiller. How dewe get there. Ill give you a ride to your half of the tree. I knew we wouldnt end up with a treestump for a house that would have been terrible in winter time said bird. I shue love are new home said cat. So do I said catapiller. I can't wait to see what it looks like inside said bird

A New Home

Chapter

Wow! Look at our home when do we get our tree up said caterpillar. I'll get a shovel from the barn said the farmer.

boy would you look at all the animals we can make friends with said bird lets go meet some of them said cat. lets stop talking go make friends with them said bird. Ok said cat and caterpillar. Hi whats your name my name is bird this over there is cat and way over there is caterpillar whats your name. My name is cow this is chicken and thats dog and worm. Where do you live we live in that barn over there in that tree we use to live a tree stump. Here comes the farmer with the shovel

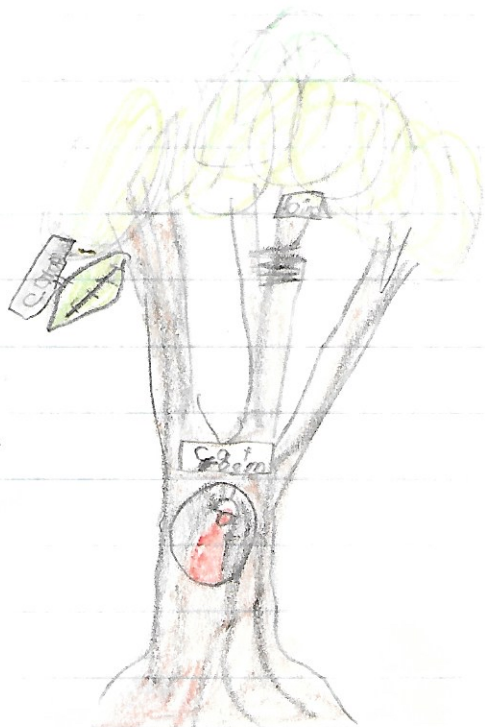

I'll get your tree up and you Go play
said the farmer. so they started walking
around the barn yard nice barn
yard they all remarked at
the same time what a won-
derful place it was.

As the year passed they got to
know each other better.
