Once upon a time on a winter's day  
four days till Christmas bird Cat and  
Cotapiller sat in front of the fire place  
in order to keep warm for it  
was very cold in their tree.  
it was so cold that catapiller  
leaf fell from the tree so he  
had to move into Cat's room.  
And birds nest fell from the  
tree so he had to move in with Cat.  
Cat had to sleep on the floor  
on the top floor but cat really was  
lucky because he got to sleep  
in front of the fireplace. Sometimes  
they were invited to sleep in the barn.
